## PUT THE OCEAN INTO YOUR FALL TERM

- Fulfill your program requirements in a new way. Experience the immersive learning opportunities of Hatfield Marine Science Center and the central coast.
- Check out our courses for undergraduate and graduate students.
- Live at the Hatfield Marine Science Center or attend as a commuter, including by the Coast-to-Valley Shuttle
- Create part-time or full-time plans for study.
- Enroll in small classes with lab and field experience integrated into the courses.

*Talk with your advisor about how courses fit into your OSU program.*

## AREAS OF STUDY:

Students can create a full term of study, featuring courses by OSU's Fisheries, Wildlife and Conservation Sciences; College of Earth, Ocean, and Atmospheric Sciences; and College of Liberal Arts-Marine Studies.

Courses include training in marine animals, natural resource conservation and management, oceanography, and human dimensions. Opportunities for research experience and internships.
